**CONFERENCE OBJECTIVE**

The conference will consider re-engineering of business processes that take place in primary, secondary and higher education in order to standardize business processes and improve the organization of educational institutions, which is a prerequisite for the development of appropriate information systems and databases needed in education at all levels.

**TIME AND PLACE**

**Time:** 20 – 22 September 2013

**Place:** Faculty of technical sciences in Cacak, Svetog Save 65, 32000 Cacak

**THEMATIC FIELDS**

- **Business process re-engineering in educational institutions**
- **Re-engineering and quality management in education**
  - The application of educational standards in the assessment of students achievement
  - Internal control systems in educational institutions
- **The influence of re-engineering on information systems in education**
  - The application of information and communication technologies in education and re-engineering
  - Software support innovation in teaching
  - Modern Teaching Aids as a condition of re-engineering of business processes
- **The impact of re-engineering on the strategies and directions of education**
  - Innovative models of teaching
  - Methodological approaches in teaching
  - Engineering education in Serbia
- **Integration of business communication in educational institutions**
  - The importance of teacher training in re-engineering of educational process
  - Cooperation between educational institutions and corporate entities
  - Leaders as representatives of re-engineering in educational institutions

**IMPORTANT DATES**

**The deadline for submission of applications and papers:** 30.8.2013

**Notification that the paper is accepted:** 6.9.2013

**Deadline for fee payment:** 13.9.2013

Application and papers should be submitted to **E-mail:** rppo13@ftn.kg.ac.rs

**PROCEEDINGS**

Accepted papers will be published in the Proceedings (in print). A condition of publication of the paper is previously paid fee.

**PAPER INFORMATION**

**You may download Paper template from:**

[www.ftn.kg.ac.rs/rppo13/Template\\_RPPO13.dot](http://www.ftn.kg.ac.rs/rppo13/Template_RPPO13.dot)

**REGISTRATION FEE**

The registration fee is 5000 RSD. For participants from abroad the fee is 50 EUR. Paid registration fee provides participation in the Conference, Conference Proceedings and a CD with all the papers presented at the conference, as well as a certificate of professional training for a period of 16 points (for elementary and secondary school teachers).

Teachers and professors employed in primary and secondary schools can take part in the Conference without publication of the paper, but in the form of professional development. Registration fee in this case is 1000 RSD and it provides a certificate of professional training for 2 points and Proceedings on CD.

Registration fee should be paid into the account number:

**840-875666-84** reference number **1202246-16**.

Fee should be paid by not later than: **13.9.2013**

Exceptionally, participants coming from abroad can pay the fee at the Conference.
