CONFERENCE VENUE

TIO 2012 Conference will be held in Čačak, Serbia, at Technical Faculty Čačak, Svetog Save 65, from 1st to 3rd June, 2012.

REGISTRATION FEE

Registration fee amounts to 4000 dinars, and for participants from abroad it amounts to 50 euros. Paid registration cost provides participation in the Conference, free Conference proceedings and a CD that includes all the papers presented in the Conference. Registration fee can be paid in dinars into the bank account of Technical Faculty Čačak, no. 840-875666-84, reference number 21 02246 13, with a sign: for TIO 2012 Conference.

Furthermore, elementary and secondary school teachers can participate in the Conference, without publishing the paper, but in form of professional development. Registration fee in this case is 2000 dinars and it provides a certificate of professional training, lasting 16 hours and Proceedings on CD.

Exceptionally, participants coming from abroad can pay the fee at the Conference.

IMPORTANT DATES

- **Deadline for submission of papers: 11th May 2012.**
- **Notice on acceptance of papers: 18th May 2012.**
- **Deadline for registration fee payment: 25th May 2012.**

PAPER INFORMATION

Several introductory statements will be issued in the thematic session. Themes of the papers should be compatible with the thematic fields of the meeting. The size of the papers should be from four to six pages. If necessary, the number of pages can be larger. In that case the registration fee will be higher due to the increased printing costs. The papers will be reviewed by the reviewers appointed by the Scientific Committee.

The paper must comply with the requirements for conference paper writing that have been accepted for TIO 2012. Thus, all the papers in the conference proceedings will have the same structure.

If the paper presents a theoretical approach, it should be structured in the following way:

- Summary in Serbian and English (max 150 words)
- Key words in Serbian and English (max 5 words)
- Introduction (introduction in the problem)
- The main part of the paper (it should include: the purpose of theoretical research/analysis and the main problem, data sources, main arguments and explanations, interpretations. All of this, if necessary, can be organized in functional subtitles).
- Conclusion/conclusions
- References

If the paper presents an empirical approach, it should be structured in the following way:

- Summary in Serbian and English (max 150 words)
- Key words in Serbian and English (max 5 words)
- Introduction (introduction in the problem and theoretical, empirical framework of the research)
- Methodology /Research organization /application description (if the paper presents a description of a software solution)
- Results and discussion, implications
- Conclusion/conclusions
- References

The paper will be accepted for TIO 2012 Conference under the following conditions:

- ☞ If the paper is submitted before the expected deadline;
- ☞ If the paper is written in compliance with the given instruction;
- ☞ If the paper is positively reviewed;
- ☞ If the registration fee is paid.

You can download the **Form of the paper (Template)** from: http://www.tfc.kg.ac.rs/tio2012/Template_TIO2012.dot

The paper can be written in English, Serbian or Russian. If the paper is written in Serbian, the title and abstract should be submitted in English as well. If the paper is written in English or Russian, the title and abstract should be submitted in Serbian as well.

The papers should be sent to: tio@tfc.kg.ac.rs

PAPER PRESENTATION

Official languages in the Conference are Serbian, English and Russian. The papers included in the programme will be presented orally. The time for the paper presentation is limited to ten minutes. Presentations of the papers can be prepared on PC computer in Power Point software.

The papers in the Conference will be printed in the Conference proceedings, and they will be available on a CD, as well as at: <http://www.tfc.kg.ac.rs/tio2012/>

Further notice will provide the information about the final programme of the Conference with titles of the papers and names of the authors of the Conference participants, as well as the time of paper presentation.
